- USB port included for easy data export
- Remote alarm terminal in rear

Quality Design for Reliable Performance

- Two auto cascade compressors
- ENERGY STAR® certified
- Environmentally-friendly natural hydrocarbon refrigerant for reduced global warming potential Meets EPA and SNAP requirements
- Insulated inner door for an added layer of protection
- VIP vacuum insulation improves capacity and stabilizes performance
- Fast temperature recovery with accelerated pulldown

ULTRA LOW
Operates as low as -86°C
for sensitive biological
and laboratory storage

EXTENDED WARRANTY
5-year parts & labor
12-year compressor

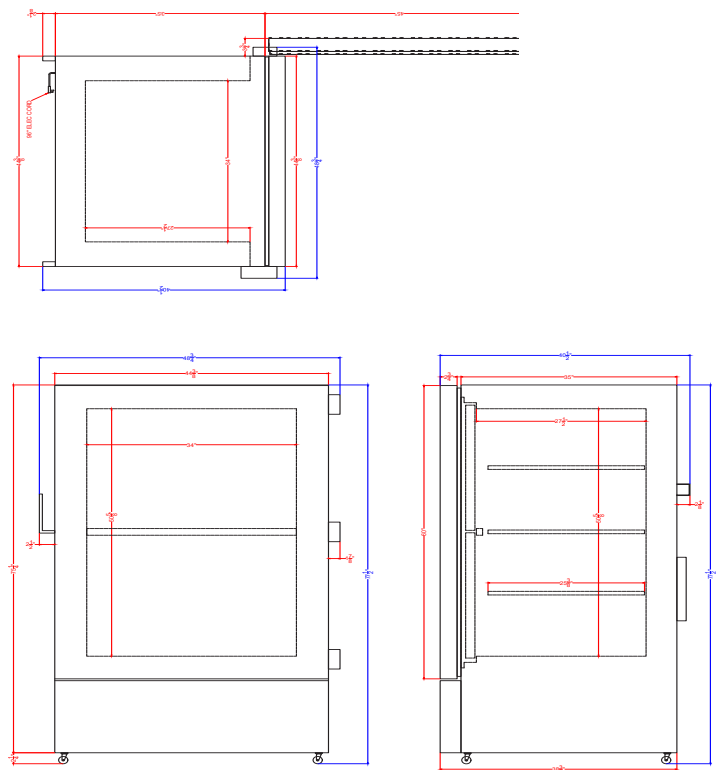

AUTO CASCADE COMPRESSOR
Powerful cooling with fast
